The Call

KANSAS CITY, MO.
November 11, 1938

Dear Club Members:

THE YULETIDE SEASON WILL BE HERE SOON. Again the time has come when clubs are thinking of a way to wish their friends and patrons a Merry Christmas and Happy New Year.

As in past years, The Call offers its columns to the city's leading clubs as an effective way of carrying the clubs' Christmas greetings.

It plans a page with beautiful and appropriate decorations for the season and offers to your club the opportunity of having a place on this greeting page. Your club may express your own sentiment in your own words.

Your club may participate in this idea for a very reasonable sum.

It will be fine to get this matter completed before you are busy with your Christmas social plans. We are ready to serve you now.

Call Victor 3804 or 3805.

Sincerely yours,
THE CALL
