

GEORGE E. KIMBALL

Attorney and Counsellor-at-Law

SUITE 1028 SCARRITT BUILDING

KANSAS CITY, MO.

November 3rd, 1922.

To the Citizens of Kansas City - Jackson County:

Behind every candidate for public office there are controlling influences for good or evil. The men who are elected are guided by these influences in this public service. Frankly we should know who are behind these men. Particularly is this true with our County Court which controls the finances and so many of our other offices and all our County institutions.

Behind the nominees on the Democratic ticket and hand picking these nominees are:

JOE SHANNON,

TOM PENDERGAST,

CASS WELCH,

JOHNNY O'NEILL,

MILES BULGER.

Behind the Republican nominees, selected by a popular vote, are all the people opposed to the type of men named above. You can readily see where your interests lie.

JACKSON COUNTY REPUBLICAN COMMITTEE.

Republican Candidates for Judges Jackson County Court:

Judge George E. Kimball - Presiding Judge Hugh R. Ennis - Western District A. L. Wilson - Eastern District.
