In Re: State ex rel. Lucile Bluford v. Canada.

Mr. S. W. Canada, Registrar,  
University of Missouri,  
Columbia, Missouri.

Dear Mr. Canada:

Your letter of the 7th has been received, enclosing copy of letter which Miss Bluford wrote Dr. Scruggs on December 30th. As you say, no acknowledgment by you to Miss Bluford is necessary.

The indications are plain that if Lincoln University's Department of Journalism does not include a graduate course like that at the University of Missouri, Miss Bluford will litigate some more. Do you have any information as to what Lincoln University will offer in graduate work?

Yours very truly,  
Wm. S. Hogsett
