Dear Mrs Stearns:

just a few words to you before I have my breakfast. It is very nice weather just now, took a ride in Auto Thursday night out in county past some of the best wheat fields in Kansas. saw some real hills could look over a big lot of country on one side and saw the sun go down clear out of sight it was beautiful I enjoyed all of it, saw one home with 3 stars on the service flag a number with two. Lovingly

Minnie
