Hotel President opened January 1926 is a magnificent fifteen story structure incorporating therein all that is best in modern hotel construction. The hotel contains 450 rooms and 450 baths; is beautifully furnished and is complete in every detail. The Congress and Junior Assembly Rooms on the Fourteenth floor have a seating capacity of 1000. The Aztec Room on the Second floor is one of the unique rooms of the country and the first to exemplify the craft of America's earliest aboriginal art workers.

Dear Mrs. Snow,

We'll be leaving here in a couple days. I've been having a swell time altho it's awfully hot here. Are you going to Canada this summer? Have a nice time if you do. We'll be on the Cape during August & my mother said for you to come down if you can sometime. We'll be glad to see you. Give my love to Grandma & the rest.

Love, Verla
