Airplane View of Financial District, Kansas City

On account of its unusually rapid growth, Kansas City's skyline is constantly changing. New skyscrapers are continually being erected. This is the latest birds-eye view of Kansas City's Financial District.

Oct 21-1922 2 A.M.

My Dear Husband.

Just arrived all O.K. Will wait here until light which will not be very long. Do be careful and don't get any cold. Will write a letter soon. Will be very busy to day if I get my coat.

Lots of love from Nellie

Mr G. A. Shadbolt
