Dear Folks- I expected to see you a week ago last Sunday but we had unexpected company. A second cousin of Jay we had never seen. He stayed until yesterday. How about planning that picnic for soon. I want you & Hugh to come down and stay a few days with us – at least over Sat. & Sun. for Jay can be at home most of that time. Call the Missemer girls and see what they think of coming a week from Sun. for the picnic.

Had your card from Yellowstone
