[page 2]

Wed. morning. 10 A.M.

Just starting to the session. Stormy times around different headquarters last night. If no one breaks away it is sure for Hoover. The great drive is to prevent his getting it. Hoover followers are entreating Curtis of Kans. to run with Hoover for Vice. Saw Nile & family last night. Am at the Rasbach 1 ½ blocks from Convention Hall.

Love to all. [MS. illegible]

[P.S.]

Lars Bladine asked about Lillian. I hope she is better.
