[caption]

Union Station, Kansas City.

The third largest passenger station in the world. The main building covers a ground area of 5.57 acres. The waiting room alone is 352 feet long and can accommodate 10,000 people, the population of a good sized town. Total cost of station and terminals, \$50,000,000.00. 260 scheduled trains arrive daily, making an average of 35,000 people passing thru each day.

Hello.

Here at last, watching my step, and doing every body I can don't flirt much afraid to. Tell you a bushel basket full when I get home.

Love Jerold

[P.S.]

Say Aunt [MS. illegible] you aught to be along fun and some more fun.

[MS. illegible] Agnes

Mrs Paul Dinkle
Watts Ave
Fayette, Missouri
