

FORT HAYS
KANSAS STATE COLLEGE
HAYS, KANSAS
OFFICE OF THE PRESIDENT

April 8, 1932

Governor Harry Woodring, Topeka, Kansas.

Dear Governor Woodring:

If the Western University of Kansas City, Kansas measures up to the requirements for a Junior College I know of no reason why it would not be accredited. Personally I would be inclined to be far more lenient with the colored people in their deficiencies than I would be if it were an institution for the whites.

Cordially yours,

WA Lewis

President.
