July 29, 1932

Mr. Oscar F. Ball Western University Kansas City, Kansas

Dear Mr. Ball:

I read your letter of July 14 with a great deal of interest. I as informed by the Board of Administration that your salary was out of line with salaries paid those occupying similar positions in other institutions. That was the reason given me for the reduction. Possibly it might be well for you to discuss the matter with the members of the Board at the first opportunity.

With best wishes and assuring you of my kind regards, I am
Very truly yours
Harry H. Woodring Governor
