

OFF FOR THE BIG JACKSON COUNTY DEMOCRACY DEMONSTRATION TODAY IN ST, LOUIS.

A REAL GOAT MAKES THE TRIP (top)—Members of the Washington Township Democratic Club, a Pendergast organization, are shown with their brown goat mascot, which they took along on one of the special trains. However, the goat will not be in the big parade planned by the local Democrats in St. Louis today.

Leaders said it might cause some trouble.

“ALL ABOARD” (center)—Left to right, William Hornbuckle, secretary to A. L. Darby, city director of finance; Joseph W. Spoor, a member of the board of zoning adjustment, and other Democrats are shown at one of the special trains just before it left yesterday.
