Dear Friend:

THE JACKSON DEMOCRATIC CLUB OF KANSAS CITY, the largest organization of Democrats in the entire State, has carefully investigated the list of Democratic Candidates from which nominations will be made at the Primary Election on Tuesday, August 2nd, 1932,

We submit the result of that investigation on a sample ballot, which we enclose and which we earnestly and respectfully urge you to follow in making your selections,

DO NOT FAIL TO TAKE THIS BALLOT INTO THE VOTING BOOTH WITH YOU, It will prevent spoiling your ballot and we are sure it will serve you as a reliable guide in those cases where you do not happen to be familiar with the Candidates running for some particular office.

Exercise your privilege and vote on every office.

YOURS FOR A GREAT DEMOCRATIC VICTORY IN NOVEMBER.

EXECUTIVE COMMITTEE

Chairman

P. S.—You vote for ONLY thirteen (13) of the twenty-two Representatives in Congress not scratched on the sample ballot.
