Governor Ben S. Paulen.  
Board of Administration.  
Topeka, Kansas.

Dear Friend: I received your official notice of the appointment of Mrs. Childs in Mr Boones Place. Please accept of my congratulations on your choice, and my many thanks for the change.

I hope we will be as much blessed when you approve the local board of Trustees for much work can be done here if one can have a Board of Trustees who will work with us. The school does well and we hope to have about 90 graduates from all depts. We had a very fine visit from Dr Huffman. Mr. Simpson & Mr Carney. Their stay of a few hours with us in Chapel was a rare treat, for they were not in a hurry. Again thanking you for appointing Mrs. Childs.

I am  
Truly  
F. J. Peck  
Supt.
