511 Kansas Avenue  
Topeka, Kansas

Dear Mr. Henderson

Herewith, please find attached re-cap sheets covering the HR forms made on the material found in the City Engineer's office and vault. There are 52 12HR forms, 59 13HR forms, and 20 15HR forms.

I believe you will find the material given on the 15HR forms are important enough that a separate form should be submitted in place of the grouping (e.g. 13HR # LIX).

I have checked and edited all of the "original workers' copy" that I am forwarding; other forms are those from "condensed" work.

With kindest regards, I am  
Respectfully yours
