Dear Sir,

In Re: Lucile Bluford vs. S. W. Canada, No. 42

Please be advised that Notice of Appeal and Appeal Bond in the above entitled case were received and filed in this office on December 5, 1940.

In compliance with par. (b), Rule 73, copies of Notice of Appeal were mailed by this office to various counsel for the defendant.

Owing to the resignation of the deputy clerk at Jefferson City the writer is temporarily in charge of this office pending appointment of a deputy clerk at Jefferson City, may I therefore suggest that as soon as possible you file your designation of the portions of the record to be included in the transcript on appeal as provided by par. (a) Rule 75 in order that I may begin preparation of the transcript or instruct the new deputy. If you intend to include a reporter's transcript under the provisions of par. (b) Rule 76 it would also be appreciated if you would file the two copies of the reporter's transcript as soon as possible.

Very truly yours,
A. L. Arnold, Clerk,

By
Richard S. Duncan,
Deputy Clerk
