In re: Bluford v. Canada - Civil Action No. 42

Clerk, District Court  
Jefferson City, Mo.

Dear Sir:

I enclose form of application for subpoena duces tecum in this case, together with suggested form of the subpoena. These were made on a blank for this District, and will need some revision.

Won't you kindly issue subpoena as directed, and then send it to the Marshal here, or preferably, send it to me, for service?

Please advise me the mileage and witness fee to tender, when this is served.

I propose writing the witness, as per the enclosed letter.

Thanking you for taking care of this at your earliest convenience and advising me as to any expenses you are put to in connection therewith, I am

Sincerely yours,

Kenneth Teasdale
