Dear Sir:

I am interested in learning what action the Board of Curators of the University of Missouri took on the application of Miss Lucille Bluford to enter the School of Journalism and beg to take this means of asking you to send me a copy of any minutes pertaining to this subject at your earliest convenience. In view of the fact that the records are public I could come up and look them over but believe this may be more convenient for both of us.

Thanking you, I am
Respectfully yours,
