My dear Sir:

I have your letter of October 5th enclosing copy of S. R. Redmond's letter to you dated October 3d, and was advised by Jack Murray that he had received a similar letter. He advised me his suggestion of a reply, and I think it is proper and in keeping with the facts. The only addition I would suggest is - "that Miss Bluford no doubt has the correspondence with Mr. Canada."

If there is anything further we can do in this matter, please advise us.

Yours very truly,

N. T. Cave
