

February 19, 1941

Mr. Ruby M. Hulen  
Guitar Building  
Columbia, Missouri

Dear Mr. Hulen:

I am enclosing three photo copies of a letter received from Lucile Bluford. With it she enclosed a cashier's check for \$41.50. The check is dated February 11, 1941 and I suppose is the same check she sent Mr. Price only to have it returned to her. The statement that enrollment fees are handled through this office is incorrect. All fees are paid to the University Auditor. The Registrar has nothing to do with fees.

I shall make no reply to the letter until I hear from you.

Very truly yours,

S. W. Canada, Registrar
