Dear Mr. Hogsett:

I enclose a photocopy of a registered letter from Lucile H. Bluford, dated April 28, and a photocopy of the copy of the letter she says she has written to President Scruggs of Lincoln University. You will notice that in the third paragraph of her letter to me she wants that to be regarded as her standing application. We have never accepted or recognized applications for admission to, or registration in, a course not being offered or for a course that may or may not be offered at some time in the future. So you think any more than an acknowledgement of this letter is necessary?

Very truly yours,

S. W. Canada, Registrar
