Mr. S.W. Canada  
Registrar  
University of Missouri  
Columbia, Mo.

Dear Mr. Canada:

The verdict of the Jury responding to the open appeals to race prejudice by your lawyer, Mr. Hogsett, in the federal court at Jefferson City on Friday, April 24, shall not thwart my career.

This letter is to notify you that I have reapplied to Lincoln University for graduate work in Journalism equal to the standard of graduate work in journalism at the University of Missouri before such work was abandoned. In case such work is not available at Lincoln University when the University of Missouri revives its graduate work in journalism, I will still be an applicant for admission to the University of Missouri.

You may consider this a standing application. Please forward me the necessary application blank and all pertinent information as soon as graduate courses in journalism are available.

A copy of my letter to President Scruggs, this date, is enclosed.

Yours very truly,

Lucile H. Bluford.
