In Re: Bluford v. Canada.

Mr. S W. Canada, Registrar,
University of Missouri,
Columbia, Missouri.

Dear Sir:

Your letters of April 30th and May 1st were received while I was absent from the city. Your comments on the conduct of the trial are very kind.

By the verdicts of two juries Miss Bluford has now been placed in the nuisance class, and I suggest that no answer to her letter of April 28th is required.

I enclose bill of the court reporter for one half of her charge for reporting the trial. Will you kindly pass this bill to Mr. Cowan with request that he send check direct to the reporter.

Yours very truly,
Wm. S. Hogsett
