

From John E. Carlson to Chauncey Downs

Mr. Chauncey Downs,

Dear Downs:-

I am still thinking about the fine music in connection with the Minstrel Show. You can be proud of your membership in the Monrovia Club. You all did mighty well. I enjoyed the show very much. This is a further demonstration of what our colored people can do when given an opportunity. I hope that more entertainments of this fine sort will be given by the Monrovia Club.

Very truly,
