Mr. W. G. Mosely, President Out-State Democratic Club of Missouri Jefferson City,
Missouri

Dear Sir:-

I notice on a handbill that the Wayne Miner Post Drum and Bugle Corps will appear at Liberty Park in Sedalia, Missouri on August 4th and 5th, 1934.

I am sorry this was done, due to the fact that we have signed a contract and received a deposit to fill an engagement at Paola, Kansas on the same date.

We can't do things at the last moment, due to the fact that men must make arrangements ahead for laying off from work, also all prices and contracts must come up at a regular meeting and be satisfactory to all.

We had hoped to have had all arrangements with you made by this time, but to date we have not heard from you.

We possibly could appear Sunday, August 5, but not August 4, 1934.

Very truly yours,

WAYNE MINER POST NO. 149

Dr. M. C. Lewis, Commander
