CONTRACT BRIDGE

Enjoy 16 prepared hands with thousands of persons of different nationalities and tongues, all playing at the same time.

These hands are prepared by Lightner, Liggett, Work, Vanderbilt, Jacoby, Culbertson, and others of the Olympic Committee. They are fascinating, represent no freakish distribution, nor do they contain any intricate problems. They also respond equally well to all systems of bridge.

These hands will be delivered by special messenger service in sealed packages a few moments before the game begins.

Your team is permanent for the evening. Your team, for example, North-South will battle against your opponents at the table as well as against all N\*S teams in the Olympic Contest as well as against par.

MAKE RESERVATION EARLY by calling:

Elk's Rest Ha. 5777— Dr. Lewis, Vi.8968— Dr. Fletcher, Vi.5610.

Win one of the most valuable platinum and silver trophies ever offered in any championship event. Local Prize also given.

Entry fee \$1.00 per person.
