Mr. Dwight Brown,
President of Parole Board,
Missouri State Penitentiary,
Jefferson City, Mo.

It has come to my attention that Willie Smith, No. 35985 will apply for a parole. In view of his good record before incarceration and during incarceration, and the recommendation of others, I am sure his application should be favorably considered.

His health is poor and if favorably considered will be paroled to Mr. Vincent Spizzuca of St. Louis, Mo.
