

SPECIAL PROGRESS REPORT:-

No. 46087-L

STACCI, Louis

New Information:- NONE RECEIVED.

Institutional Progress:-

This man has made an entirely satisfactory adjustment in this institution. He has had no reports for violation of prison rules; one work assignment and three cell assignments. The reports of the officers under whom he has worked rate his work as consistently Good. He has been assigned to the Laundry under Close to Medium supervision during his entire term thus far.

I think that with his short time——expiration date is August 13, 1936——and in view of his institutional record, there would be little good to be attained from a transfer to the USP Alcatraz.

Recommendations:-

NO TRANSFER. CLOSE TO MEDIUM SUPERVISION.
