Marshall Mo.

July 3 – 38

Gov. Stark –

Dear Sir

I am an employee of the Mo State School of Marshall of which Dr. P.C. Wilson is Supt. Now, Gov. Stark I am writing this asking you if you can do anything in behalf of we employees the terrible is this, Dr. Wilson is compelling all democrat employees to give 5% and 2% of our wages to the Pendergast lug for election vote's Against Douglass for the Court. I just cant hardly meet expenses on \$40 per month

after I have to pay the lug. We all feel it is a gross injustice, we would vote as we please, if the board here investigates how our vote was cast and we will lose our job as consequence.

Please suggest something for us as it is depressing on we poor people We are for Douglass but dont dare vote this way.

Please investigate and you will find things terrible in the way of politics.

Sincerely yours

L. B. Jones.
