Dear Mr. McMahon.

I understand that your Man Inspector Morris Nunn is doing quite bit of campaigning for Mr. James V. Billings. Mr. Nunn and Pendergast man here in town got two out town Business men to call on me this morning, and of course they wanted to know if I had got my Liquor License, I told them that the Liquor Supervisor had my money County and City License and that I did not understand why they were holding this money since last January without writing me or giving me some kind of reply why they was holding this money.

They told me that they had come over to help me get my Liquor license and if I would do as they told me they would guarantee me my license. They said that Mr. Nunn told them that I had. Had dirty deal and that it wasnt his fault that this money had been tied up for the past year.

They said it was spite work in the office force, They told me to stop cussing T. J. Pendergrast when Mr. Nunn came back to call on me and for me to round up all my folks and friends and go vote for Billings and that they would guarantee me my license soon after Primary election.

They had two of Billings large posters they said they wanted to put up in my place I ask them if it was necessary for me to do this to get my license they to me yes and if I didnt I never would get license for Mr. Nunn had it in his power to hold me out they begged me to do this and they promised me Nunn would be different man on his next visit here. I told them I was still Democrat but not that kind and to Hell with Morris Nunn and Pendergrast men here in town.

When Mr. Nunn took my last invoice of my stock of merchandise he didnt send in nothing like half of my grocerie stock he left it off to show up that I didnt have any groceries with my other merchandise I didnt make any complaint for I knew thire wasent any use.

Very truly yours.

A P. Clarkson.
