Dear Gov. Stark.

I want to congratulate you on the good work you have done by electing Judge Douglas. I think that is the first step toward tearing down little Tom's machine.

I was talking to some of my friends the night of the election that were machinemen who said they would not support Judge Douglas in Nov. but I think they will change their attitude by then.

I read the cards that were sent to me from the Douglas Club in Jefferson City and distributed quite a number of them.

I heard today that there were several precincts in K.C. that ran out of [*text stricken through*] Democratic ballots on accounts of so many Republicans voting the Democratic ticket. I certainly want to be of any help I can to you at the fall election as I am through with Tommie's machine forever, and if in the near future you have an opening of any kind I would appreciate it if you would help me.

I am enclosing your letter of July 22, 38. so as you will remember me writing you.

I beg to remain

Respt. yours.

Roy Brewer
