Hon. Lloyd C. Stark
Jefferson City, Mo.

Governor:

You will no doubt receive in the near future, a letter from Mr. A. A. Kelley, of this city, Mr. Kelley is our latest, and one of our most important, converts. One of his brothers is the Pendergrast Leader of this section and the other is the local postmaster, and a Pendergrast Worker.

Mr. Kelley himself was formerly lined up with the K. C. Machine, I believe his coming over to our side will be of great benefit to us in this coming election.

Mr. Kelley is a prominent merchant of this city. Some years ago he made an unsuccessful race for collector of this county, he is well known in the political circles of this section.

I believe a letter of thanks to Mr. Kelley, signed by you will help us down here, I will appreciate your answering his letter immediately upon receiving it.

Yours very truly,
Wilce Curtner
