Egbert Miller

Mexico, Mo.

Dear Mr. Miller:

If my policies and conduct as Superintendent of insurance have your approval, Governor Stark richly deserves your censure and I know of no better way in which you can express your feeling than in your vote on August 2nd against Judge J. M. Douglas, Stark's candidate for the Supreme Court and for his opponent, Judge J. V. Billings.

It is of extreme importance to the underwriters, as well as the insurance buying public that emphatic notice be given now that in the future the powers of evil in insurance must be driven from that field and advocates and adherents of sound insurance must have consideration in all matters vitally affecting insurance policy holders.

To this end I pledge my continued militant support and to that end also may I again urge that you vote for Judge J. V. Billings?

Sincerely yours,

R. E. O'Malley
