Governor Lloyd C. Stark,
Jefferson City, Mo.

Dear Governor Stark:-

You will be pleased to know that your visit to Marceline has greatly changed the outlook here. Marceline will go for Douglas. "Mrs. Pendergast" Anna Watson has fumed and frothed since your visit.

An organization meeting at Brookfield last night showed that place to be our weak spot in this county. Miss Edgmon says that the Catholic vote is almost, solid for Billings, the same is true here. Miss Edgmon is a Catholic and should know.

We have an unfortunate situation in this county as I have now discovered.

With kindest personal regards, I remain

Lloyd V. Harmon
