Governor:-

The “slots” are in vogue in Jackson Co. A race-horse machine operates in Ridge Arcade – and size “slots” operate at Jack Nigro’s (a brother of “Doc” – the political M.D. in Pendergast organization) place at Lake Lotawana entrance near Lees Summit – and a dozen other places have “slots” in operation. “Boys” plan on more between now and Primary being “out”. All the NIGHT CLUBS are to get the usual number on 15<sup>th</sup> according to Jimmy Pendergast’s “mouth-peice” Moran.
