Gov. Stark

I want to congratulate you for having the courage to fight Pendergast and keeping him from getting hold of the Supreme Court. I hope you will keep on and help us to be free from his control. We did not have a secret ballot. I was No. 42 and when I gave my ballot they said No 42. I said I thought we were to have a secret ballot they answered Oh this is just the primary. But is this case the primary is full as important as the regular election.

Again congratulations

J.S. Yates
