Kansas City, Missouri
Formerly with the Pinkerton and
Star Detective Agency

And K.C. Police

3/29/38

Governor Stark

Jeff City

Respected friend.

Here is a tip, I hope you will consider personal. An I do not want to take a ride. I believe you should call out state troopers Tuesday at K.C. Election. I do not think the police can handle it. In time past I have served as election Judge. Also Democrat Policeman, and I know pretty wel the lay of the land.
