Governor Stark  
Jefferson City Mo

Governor Stark.-

We have, up to the present, been for you as you were a friend of Mr Tom Pendergast, but if you break your word of honor to him you aren't to be exactly trusted by other Democrats. –

We,- meaning myself, relatives and friends are for Mr Tom Pendergast, and you'll no doubt hurt your self from many good honest votes when you are disloyal to Mr Pendergast.

Very truly yours and  
a staunch Democrat
