Mr. Lloyd C. Stark,

Louisiana, Mo.

Dear Sir:

Recieved your letter of Jan. 14th and assure you that as time goes on I will do the best work that I can here for you. It is somewhat early for there to be much sentiment in any direction. Most of the talk is to find out who is going to be the strongest and who will Pendergraf back. You know most people want to follow the strongest man. I generally pick out the one I want and go to work on it. If anything comes up here of any importance I will let you know about it. As you probably know our local State Senator, (Donnelly) is being talked of in this part of the state by some people. And it is possible that he might enter the race. I will follow your suggestion of sending you the names of anyone who appears to be a follower of yours.

Trusting that I can be of some service to you in the future and expecting you to call on me for anything that I can do, I am

Yours very truly

J. H. Easley
