

Mr. Stark: - you may not want to send this letter on account of what I said about the K.C. Organization.

When I reply to a letter that you haven't read I put it with my letter, so you can read all of them.

Hon. J. H. Easley,
Lebanon, Mo.

My dear Mr. Easley:

Thank you so much for your good letter of the 4th, and for the kind expressions contained therein.

I realize that some of the counties will have their own favorite sons, as does your county, and in that case, I would not expect to be first choice, but if Senator Donnelly should decide not to enter the race, I would be very happy to have the support of everyone in your county, should I decide to be a candidate for the nomination.

It is my understanding that the Kansas City organization will support the strongest candidate, and if that is true, judging from the encouraging reports that we been getting from all sections of the State, we should have their support.

Please keep me posted or any developments in your part of the State.

With kind personal regards, I am
Sincerely yours,

LLOYD C. STARK.
