Hon. C. L. Chandler,
Malden,
Missouri.

My dear Col. Chandler:

In your letter to me on June 17th you said that you would write me later as to the sentiment in your section regarding the prospective candidates for Governor.

I just wondered if you are in any better position at this time to judge the matter than you were two and one-half months ago, and, if so, will you please write me concerning it?

We are getting wonderful reports from every section of the State. In fact, prospects from this end of the line could not be any better at this early date.

With kind personal regards, I am,

Sincerely yours,

LCS.PMC

LLOYD C. STARK.
