Maj Lloyd C Stark.
Louisiana, Mo.

Dear Lloyd,

Enclosed you find two "clipping" the longer one from the "K.C. Post"; and the other, The Trenton, "Missourian".

Your campaign so far is just wonderful; maybe I am a "Gloomy Gus", as I am looking a head for trouble. From what the Post reads, it looks like some one is hoping to make you an anti Pendergast candidate, never let that happen. If you do the same ending is waiting for you that "Tuck" Milligan got and that is rather embarrassing. I think I told you once before that if T. J. wasn't for you, you had better keep selling apples trees. Personally I believe the organization is for you, and if they are, I might just as well begin addressing you Governor. But I will wait till sometime in Nov, 1936.

I mentioned to you, about the Liquor being next door to your reception room. Really I don't think it advisable as there are many, many voters who hate the sight of booze and it will cost you the respect of the rural voters, but I do think two or 3 floors up is fine, and then who cares how much "bull" they put out.

The liquor "talk" is mostly getting ready for our republican campaign, for if Tom is for you – you are nominated.

I received a message from Bennett, asking the names of two stenographers for the erosion camp at Bethany, Don't think I didn't send – The pay is \$400, the girls I selected are from democrat workers, I also gave them a copy of your biography. You know how happy any one is these time when they are told they are recommended for a job.

Four months ago tomorrow I lost my job, and if I am any closer getting a job then I was when I stopped I don't know it.

With best regards to you and your family, I am,
Your friend
Paul [?]

P.S. We want you and Mrs Stark to spend Sat. night with us, when you come up to Wogans Picnic at Cameron. It is just 30 min from here.
