Mr. T. J. Pendergast
Kansas City, Missouri

Dear Mr. Pendergast:

I wish to add my congratulations to the general acclaim that has attended your endorsement of the candidacy of Major Lloyd C. Stark for the 1936 Democratic gubernatorial nomination. I have been an admirer of Major Stark over a period of several years and have been convinced for some time that he is our logical candidate.

The Starks have been dealing with farmers for 119 years through their extensive nursery which is a household word throughout the state. This fact alone is worth many thousands of independent votes. He is unsurpassed as a campaigner and will lend great strength to the entire ticket.

I remain,
Sincerely yours,
E. L. PRESTON
