Hon. R. Perry Spencer,  
Attorney-at-Law,  
Fayette, Mo.

My dear Perry:

I was very glad indeed to have your letter of the 14th, following our visit at Arrow Rock, and I appreciate so much your giving me the views of the splendid newspaper men in your County.

Confidentially, as I told you, I do have some warm- friends among the most influential leaders in the Kansas City organization, as well as elsewhere in the State, but I do not intend to be a candidate of any faction or section, hut of the whole Democratic Party in Missouri, or not at all.

Voluntary offers of support are coming in every day from organizations and individuals in all parts of the State, including many of the leading Democratic newspapers.

I appreciate more than I can say your expressions of confidence in me, and I hope you will keep your ear to the ground and let me hear anything you think I ought to know.

With kind personal regards, I am,

Very sincerely yours,  
LLOYD C. STARK.
