My dear Charley:

On my return home from Nevada, where I attended the unveiling and dedication of the statue in memory of William Joel Stone, I find your letter of the 10th. I was very well pleased with the meeting in Jefferson City, and believe we made many friends over there.

Many thanks for the article from the "SPRINGFIELD LEADER-PRESS". It isn't such a bad article after all, and I quite agree with all you say regarding the Kansas City endorsement.

I was awfully sorry I did not get down to Mountain Grove for the Young Democratic banquet, but I had to be in Nevada, and several other tilings came up which kept me from going.

We are getting most wonderful reports through our correspondence. Our mail has increased tremendously within the past two or three weeks, and I am very much encouraged with the turn of affairs.

I hope you will continue to keep me posted of any new developments.

With kind personal regards, I am,
Sincerely yours,
LLOYD C. STARK.
