Dear Major:

I had intended writing you before about plates needed for your campaign. You will need several, at least one for posters and several of smaller sizes for newspaper and direct mail.

When you are ready for these send the copies on down with instructions and I'll see that you get the very best. The cost will be nothing as we are desirous of doing what we can in the furtherance of your campaign.

With best wishes and assuring you of my complete cooperation,

Sincerely yours,

(Signed) J. O. L. Goggin
