Dear Major Stark:

In conversation with Bill Bartley today, he suggested that Cliff Langsdale of Kansas City, who is attorney for most of the Kansas City Labor Unions would be a good man to work up the Kansas City meeting like Mr. Bartley did here. I told him it was your purpose to talk to the two Jim's at Kansas City before doing anything there, as they had very close labor contacts and could give you good advice.

Orrin Shaw is in Kansas City this week and will probably tell them about the St. Louis meeting.

No particular news here today.

Yours sincerely,

W.M. LEDBETTER SECRETARY
