

February 7, 1936.

Mr. Ralph Gorman,
Wakenda,
Missouri.

My dear Mr. Gorman:

Thank you ever so much for your letter of January 24th, and for your desire to be of service to me in my campaign for Governor. You may be assured that I shall greatly appreciate anything you may care to do for our cause, and I shall not hesitate to call upon you for assistance at any time.

I also wish to thank you for the information you have given me. I shall treat this in strictest confidence, and anything else you may care to write me. It is certainly too bad when the people in our own Party don't seem to cooperate with each other. I trust something can be done to alleviate your difficulties.

Hoping to hear further from you regarding any political developments of interest, and with every good wish, I am,

Sincerely yours,
LLOYD C. STARK.
