My dear Professor Boone:

I am just in receipt of your letter of December 17th, and am glad to hear of the splendid work that is being done in my behalf among your people over the State. You may be assured that I shall appreciate every effort you may make to advance my candidacy, and I shall not hesitate to call upon you from time to time.

I am enclosing copy of letter, which I have just written to the State Superintendent of Schools in your behalf.

Very truly yours,
