

Dec. 21, 1935.

Hon. Lloyd W. King,
State Superintendent of Schools,
Jefferson City, Missouri.

My dear Mr. King:

Professor Ernest O. Boone, 213 No. 8th Street, Columbia, Missouri, has informed me that the appointment of a Negro Inspector of Schools has not been made as yet, and that he is very anxious to receive this appointment.

Any consideration you may be able to give his application will be greatly appreciated by him, I am sure.

Very truly yours,
LLOYD C. STARK.
